JOSHUA STEARNS

OBJECTIVE

To obtain employment that will allow for professional growth through available training, the experience of my peers, and on-the-job challenges, as well as personal growth within and outside of the company.

SUMMARY

Digital Artist trained in video and animation and experienced in design for broadcast news. Experienced in providing creative and clever solutions under tight deadlines. Organized, efficient, and self motivating; I enjoy working in creative positions that allow opportunities to refine current skill sets, as well as develop new ones.
